

DYNATRON

**COMPANY
PROFILE**

ABOUT US

:: Decades of Dedication

Over 30 years in thermal solutions

1991

FOUNDED
in TAIWAN

1995

ESTABLISHED
in USA

1998

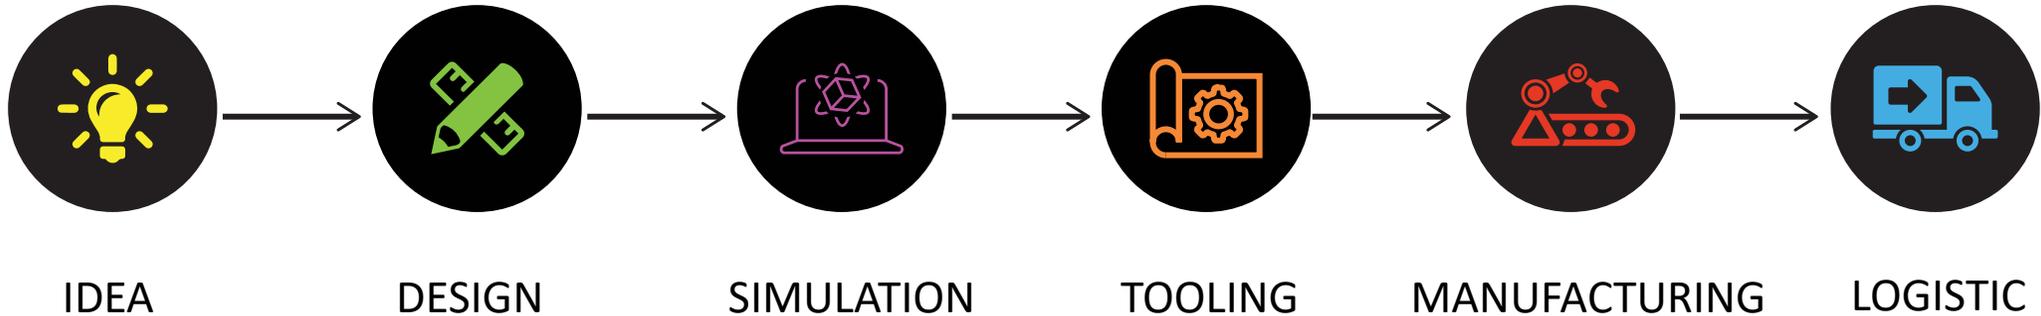

EXPANDED
in CHINA

ABOUT US

:: One-Stop-Engineering-Shop

From Concept to Completion: Specializing in
Product Development, Manufacturing and Logistics

ABOUT US

:: Our Strength

- Robust background in PC & Server sector
- Expertise in server, graphics, telecommunication, EV industries
- Comprehensive In-House capabilities: Seamless integrated solution where every stage from conceptualization to manufacturing finished product, is expertly handled within our company
- Strategic distribution networks & punctual deliveries
- Intel IBL Account
- AMD DevHub

:: Technology

- VC cold plate
- Micro groove fin cold plate
- High flow rate pump
- High performance & efficiency blowers
- Max. cooling min. noise fans in all sizes

ABOUT US

:: Industry / Sector

- PC & Server
- AI & Cloud computing
- Telecommunication
- EV
- Consumer Electronics products

:: Safety & Environmental Compliance

- CMRT
- Environmental policy compliance
- Safety certification
 - ISO 9001:2015
 - ISO 14001:2015
 - IATF 16949:2016
 - UL
 - TUV EN62368

OUR FACILITY

:: **Factory Area**

– 57,000 square feet

:: **Number of Employees**

– 210

:: **Engineering team**

– 8 members

:: **Monthly Manufacturing Capacity**

– Over 210, 000 units

:: **Standard Products**

– 70%

:: **OEM Products**

– 30%

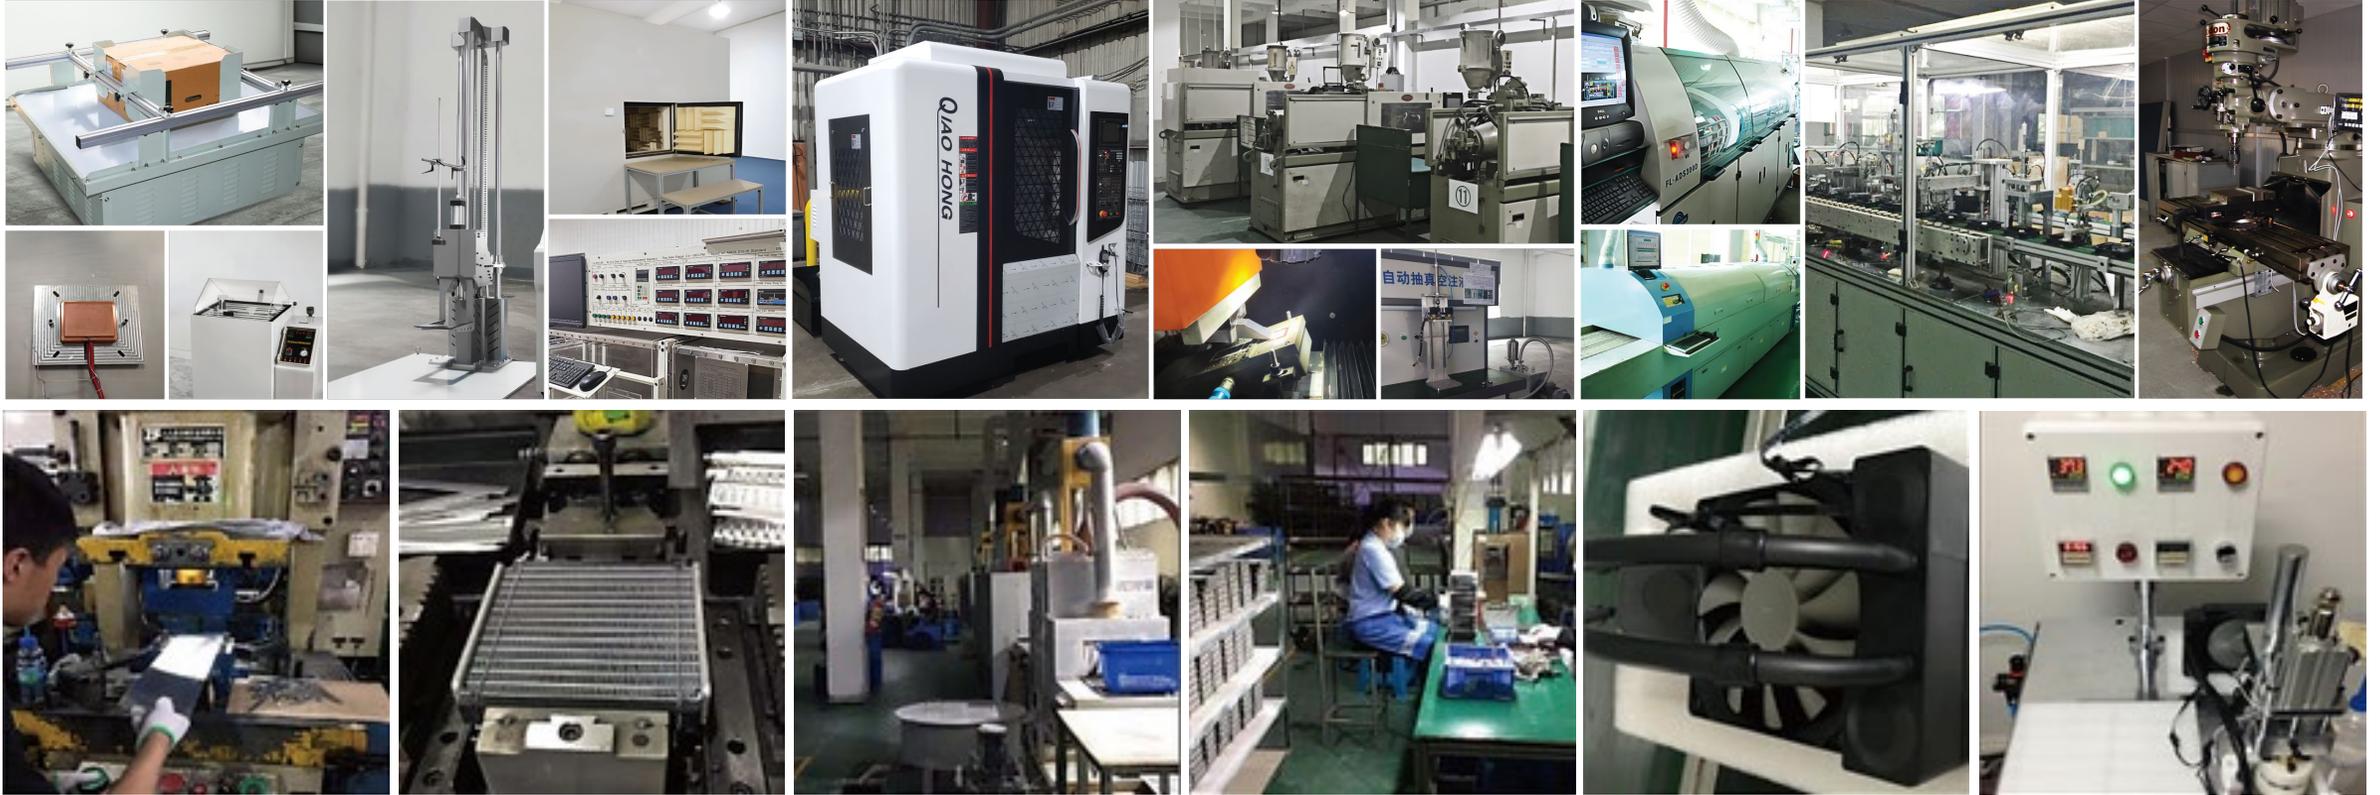

:: **Manufacturing Lead Time**

– 4 to 6 weeks

:: **Sample Lead Time**

– 1 to 3 weeks

OUR FACILITY

Stamping
54,000 set/mth

Pre-assembly
56,000 set/mth

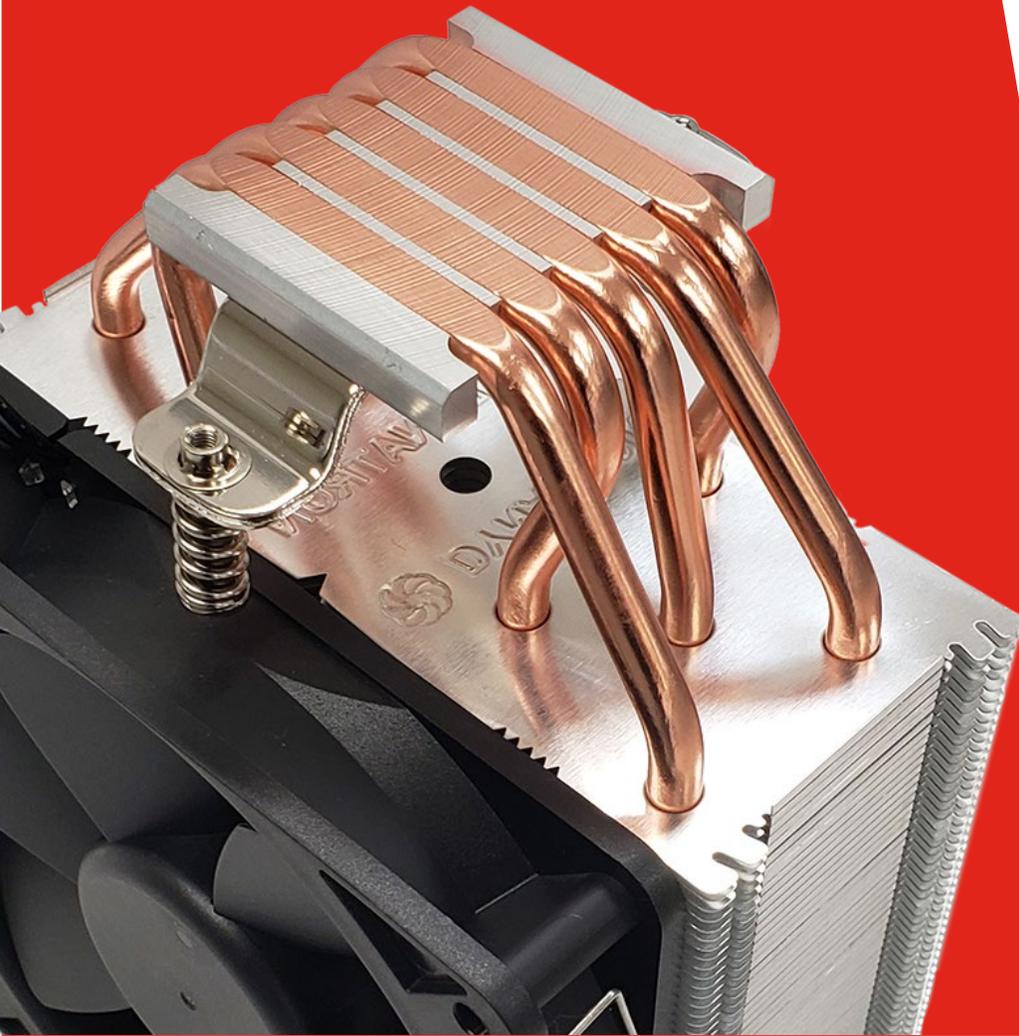

Spot Welding
84,000 set/mth

Assembly Radiator
62,400 set/mth

Liquid Cooler
Assembly
62,400 set/mth

Thermal Resistance
Testing
62,400 set/mth

PRODUCT LINE

:: CPU Heat Sink

Active, Passive

:: Liquid Cooling

Closed Loop Liquid Cooler, Quick Disconnect,
Cold Plate

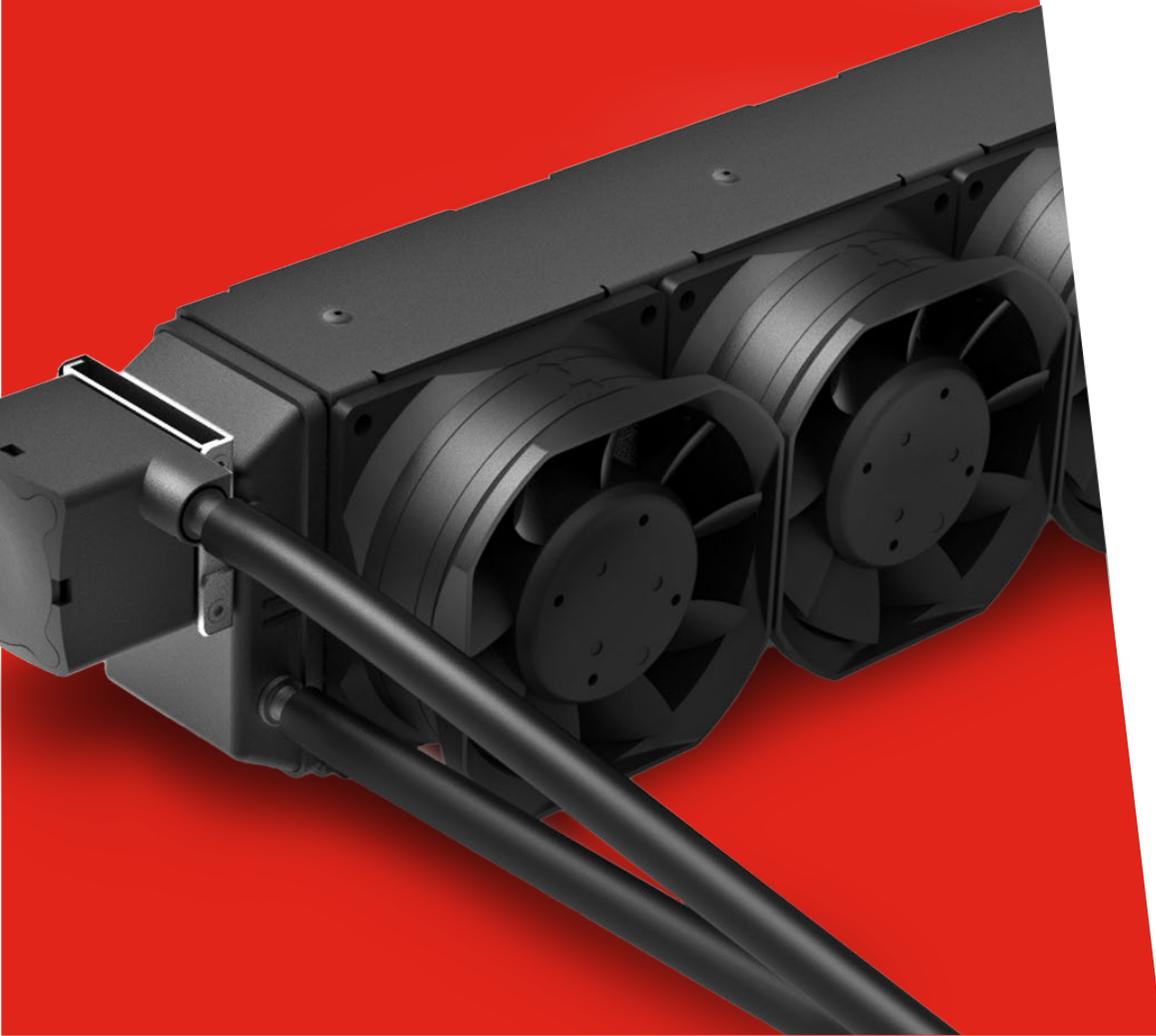

:: DC Fans

40/60/70/80/92/120/140 mm

:: Blower Fans

70/80/93 mm

OEM/ODM

- :: Server Heatsinks & Fans**
- :: GPU/VGA Heatsinks & Fans**
- :: Closed Loop Liquid Cooling**
- :: EVAC Heatsinks (Extended Volume Air Cooling)**
- :: Cold Plates Products**
- :: LED Thermal Solution Products**
- :: EV thermal solution products**

TARGET CUSTOMERS

**:: System Integrators/
Builders/Data Center**

:: OEM/ODM Manufacturer

Computer manufacturer, Computer components manufacturer, electronics, automotives, telecommunications, medical devices, industrial equipment manufacturers(printers, cameras, lasers, LEDs, etc)

**:: Electronics & Computer
Hardware Companies**

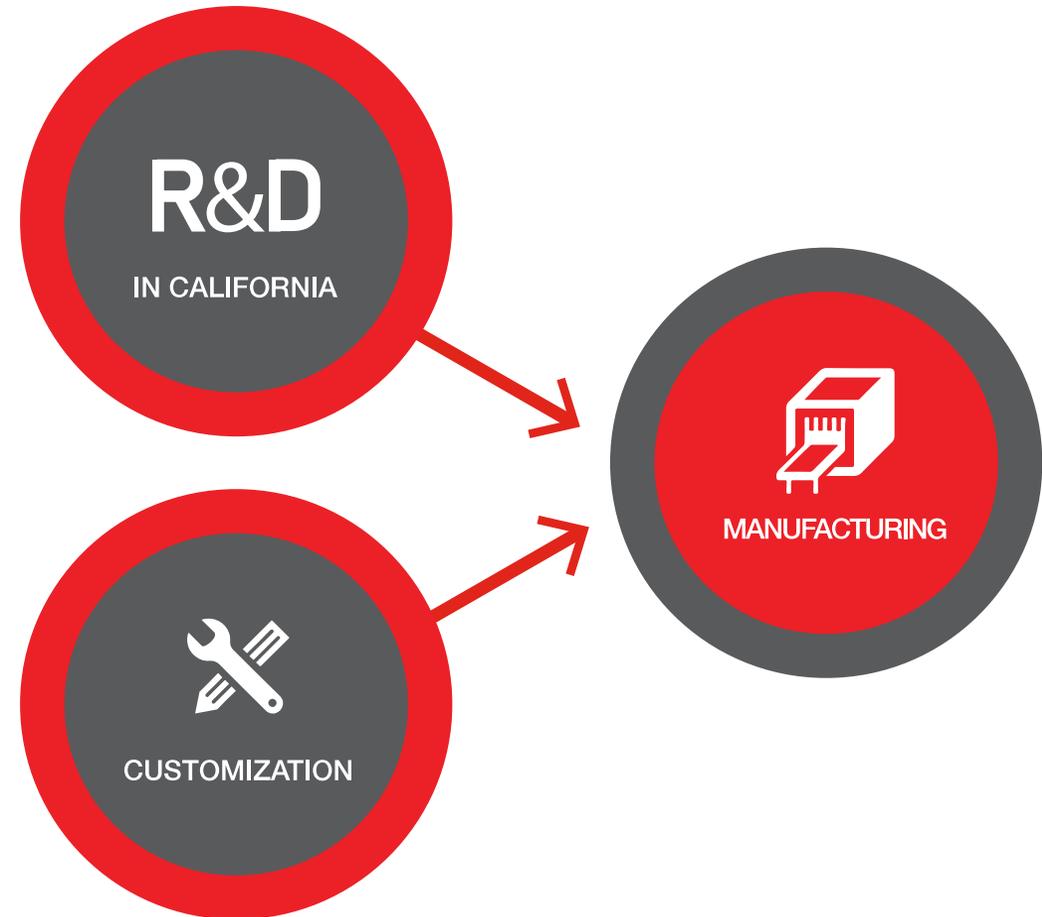

:: Distributors & resellers

LEADING PARTNERS

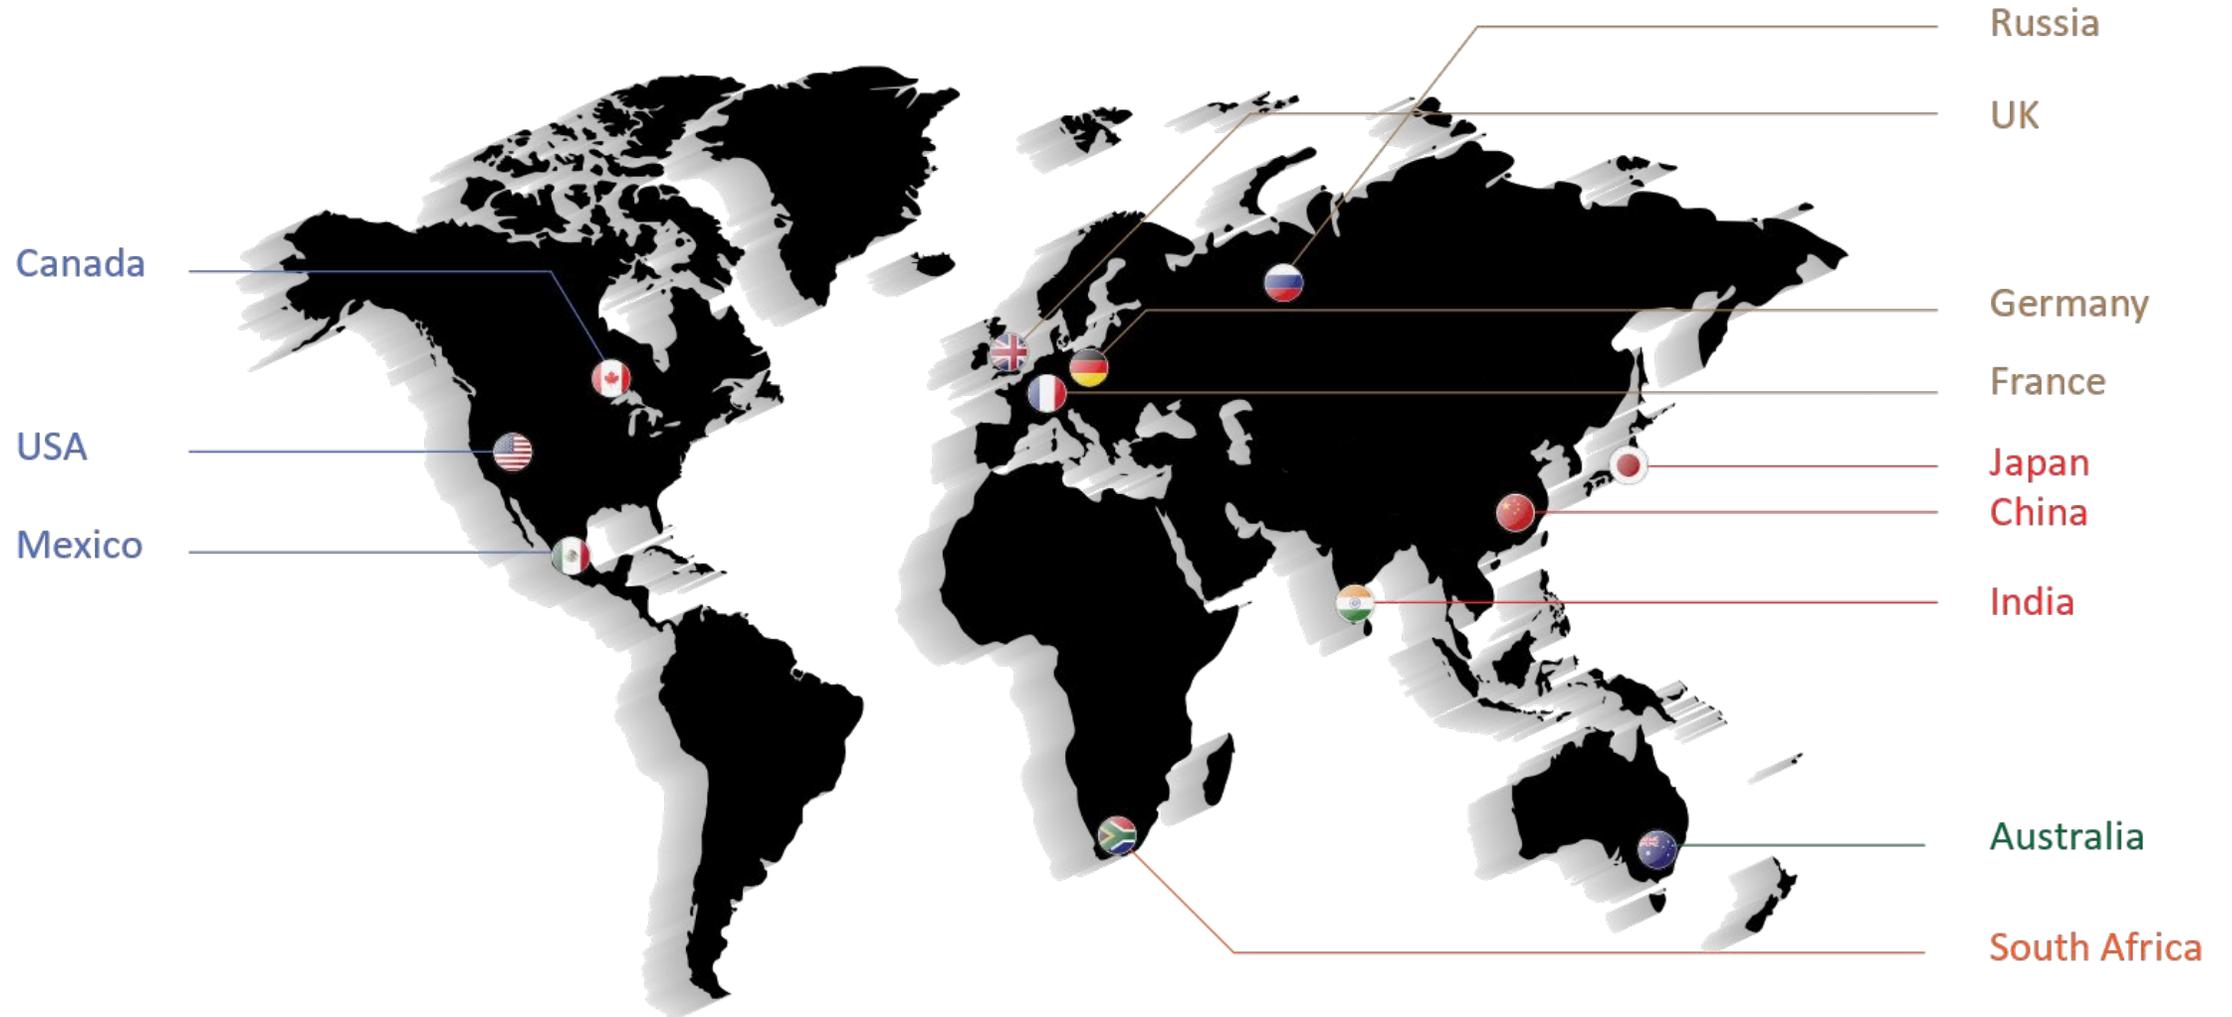

WHY DYNATRON

- :: Solid Foundation in Thermal Cooling Solution**
- :: Comprehensive In-House Capabilities**
- :: Cost-effective**
- :: Accelerated Lead Times**

WHERE TO BUY

THANK
YOU
